REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Brookfield:

Brookfield is again fortunate to have Mrs. Tracy Willey for their teacher. The work which is accomplished in school includes the teaching of the school subjects and excellent community leadership.

Mrs. Willey and the pupils are to be commended for carrying on the lunch program. This is partly financed by the Federal Department of Agriculture. The results of the program are very gratifying.

One of the major improvements in the building which was accomplished during the summer was the insulation of the ceiling. These winter days have proved that this was a wise improvement.

Respectfully submitted,

HAMMOND YOUNG.
